Just Between Friends PRICING GUIDE 2016 ● Suggestions for Pricing

We are so excited you are participating with us! The following guide is to help you figure out how best to price your items.

- Please note that we only accept items that are in good condition that are free of stains, rips, holes and tears. We are an UPSCALE-resale event!
- All items should be priced 1/4 -1/3 of retail, with nothing priced over 1/2 of retail, even if it's brand new. Staying within this pricing "sweet spot" will help you sell the most items during the event!
- Items that are NEW or in GREAT shape can be priced around 30% of original retail price.
- A good question to ask yourself when pricing: "How much would I pay for this item at the sale?"
- We highly recommend you DO allow your items to reduce on discount days! This means more money in your pocket, happier shoppers and less to bring home!

Keep in mind this is only a reference to help—not an absolute "must" on pricing. It's really up to you!
